

## God's Gifts

### Marriage and Forgiveness

Look at the picture. The man and the woman are promising to love and honor each other as long as they live. They are exchanging rings as they make their promises. God is willing to help them love and forgive each other. Draw a ring around the bride. Draw a ring around the groom.

Sadly, this man and woman are divorced. God does not want a husband and wife to get divorced. It is a result of sin. But for those who believe in Jesus and are sorry for their sins, God promises to forgive them for Jesus' sake. Draw a cross between the man and the woman to show that.
